

# Premium Protection for Motorcycles

Spring is here, and that means thousands of riders are taking their motorcycles out of storage to hit the open roads. AMSOIL offers premium synthetic motor oils and filters for motorcycle applications, ensuring equipment runs trouble-free throughout the riding season.

## Synthetic Motorcycle Oils

AMSOIL Synthetic Motorcycle Oils are formulated with premium synthetic base stocks and high performance additive technology that provide superior multi-functional benefits for the special requirements of motorcycle applications. These independent and exclusive AMSOIL formulations provide second-to-none viscosity protection for hot-running American and metric motorcycle engines, transmissions and primary chaincases.

AMSOIL 20W-50 Synthetic Motorcycle Oil (MCV) is recommended for Harley-Davidson, Buell, KTM, Ducati, BMW, Aprilia and Triumph motorcycles calling for a 15W-50 or 20W-50 viscosity, providing superior protection in engines, transmissions and primary chaincases. AMSOIL 10W-40 Synthetic Motorcycle Oil (MCF) is recommended for Honda, Kawasaki, Yamaha, Suzuki, Victory, BMW, Husqvarna and KTM motorcycles calling for a 10W-40 or 20W-40 viscosity, providing superior protection in engines and transmissions.

- **Maximum protection for engines, transmissions and primary chaincases**
- **Excellent wet clutch performance**
- **Superior corrosion protection**
- **Outstanding protection in high heat, high shear conditions**
- **Provide extended drain intervals**

# Superior Protection for Scooters Too

## Formula 4-Stroke® Synthetic Scooter Oil

AMSOIL 10W-40 Formula 4-Stroke® Synthetic Scooter Oil (ASO) is formulated specifically to meet the special needs of today's high-tech air- and water-cooled four-stroke motorized scooters, offering unsurpassed wear protection and friction reduction for longer equipment life and cooler operating temperatures.

Formula 4-Stroke Synthetic Scooter Oil delivers exceptional shear stability, ensuring consistent viscosity protection and providing additional protection for transmissions and gear boxes. Its friction modifier-free formulation ensures wet clutch compatibility and smooth clutch operation. A special anti-corrosion additive package provides long-term protection during periods of inactivity and storage.

- **Superior wear protection**
- **Cool engine operation**
- **Exceptional shear stability**
- **Excellent protection in temperature extremes**
- **Improved fuel economy**
- **Wet clutch compatible**

## Ea Motorcycle Oil Filters (EaOM)

AMSOIL Ea Motorcycle Oil Filters feature full synthetic nanofiber technology, providing superior protection for motorcycles, ATVs, four-stroke personal watercraft, snowmobiles and outboard motors. Ea Motorcycle Oil Filters last longer, stop smaller dirt particles and offer less restriction, extending equipment and filter life and improving performance. Ea Motorcycle Oil Filters are fluted for easy removal. Available in black or chrome.

## Ea Motorcycle Air Filters (EaAM)

AMSOIL Ea Motorcycle Air Filters replace OEM filters from Harley-Davidson and Honda and fit S&S and Baron filter housings, incorporating nanofiber technology that offers superior efficiency, air flow and capacity for extended equipment and filter life and enhanced performance. Ea Motorcycle Air Filters are cleanable and remain serviceable for up to four years, saving money on filter costs.
